We're looking for candidates who combine strong communication skills with solid technical expertise. Proficiency in Revit is preferred, and familiarity with software such as CAD, Lumion, Photoshop, and others is highly valued. Our firm thrives on collaboration and the diverse talents of our team. We actively support professional growth and development within.

General Qualifications:

- Bachelor's or Master's Degree in Architecture or related field
- Prior experience working within an architectural or design firm is preferred, though a parallel profession (landscape architecture, engineering, etc.) could apply
- Project Management applicants are required to have a minimum of 5 years' experience
- Willingness to collaborate with our design team
- Ability to manage projects through all phases of development (Design, Drawings, Construction Administration)
- Working drawing production skills, in Revit or CAD.
- Enthusiasm for working in an active and inspired firm in Bozeman, Montana

This is an in-office position at our Main Street location in Bozeman, Montana.

Locati Architects offers competitive pay (DOE). Available benefits include subsidized health, dental, and vision insurance, 401k with company match, supplemental insurance, long-term disability, group and voluntary life insurance, PTO, paid holidays, and profit sharing.

If you are interested in joining our team, send your resume, portfolio, and cover letter to careers@locatiarchitects.com.
